

VICTORY IN JESUS
Wally Ninneman Ministries, Inc.

You are cordially invited to participate in a program sponsored by our ministry in conjunction with Child Development Embassy (CDE) of Bwera, Uganda. We are blessed to be able to work with Pastor Rock Mutegheki of Bwera Worship Centre of which the CDE is a part.

The words of Pastor Rock: “Our prayers were answered when God connected us to Rev. Wallace and Rev. Janice Ninneman during their evangelical mission in Uganda. They caught the vision and accepted God’s call to stand as his ambassadors for the needy children of Uganda to the United States and other parts of the World. Rev. Janice has been named our patron.”

VISION: Developing children holistically through sponsorship.

MISSION: In response to the great commission, we are ambassadors of Christ, setting children free from their spiritual, social, economic and physical poverty and enable them to become responsible, fulfilled Christian adults.

KEY VERSE: “Train a child in the way he should go and when he is old, he will not turn from it” Proverbs 22:6

As patron, Janice will spearhead a campaign for individual child sponsorship and work hand in hand with the committee and project director.

At present there are 70 children enrolled in the CDE program with a capacity of 250. We started with 60 children and in just one year were able to add 10 additional. An individual sponsor commits to sending support of \$25 US dollars per month. Through the CDE, the sponsor develops a relationship with a chosen child through letter writing, sharing photos, etc. Sponsors are also encouraged to send additional gifts to their child or children for birthdays, holidays, special events or when the Lord leads. You may also want to visit your child as your relationship develops.

All donations, letters and gifts will be sent directly to Wally Ninneman Ministries, Inc. a 501c3 organization in the United States and we will forward to Uganda.

The children range from 3-12 years and are selected based on a criteria set up by the CDE Committee.

As you can see this is a very thought out well run program and if anyone desires we can email or mail you their complete structural guidelines.

Janice has often wanted to be a part of such a program but the Lord never led her to do so because of not knowing to who or where or how the money would be allocated. We can tell you from first hand experience, this is a great program.

Now is the time to complete the enclosed application and build a relationship with your chosen child or children.

On a monthly basis it is \$25US.....total of \$300. If you pay in advance for one year it is only \$275.00.....Make checks payable to Wally Ninneman Ministries, Inc. or see application for additional payment options. We also have been able to start a Medical Fund and Nutrition Fund for the children. This can be a one time or continuing donation even if you do not sponsor a child.

If you have any questions or would like us to visit your church or organization please contact Rev. Janice at 817-523-5908 or cell-715-614-3796....email info@wnministries.net. We would be happy to share the many testimonies of these children and their families.

We are so excited to be able to be a part of this program and pray for funds for the expansion of not just the CDE but Bwera Worship Centre.

In Christ:
