

CDE049 BIRA ELIZABETH

Elizabeth is sixteen years old; she is one of the oldest girls CDE. She was among the very first children to be registered, but she had not got a sponsor till the beginning of November when Marah and Paul who already sponsor another CDE child decided to take her up.

Elizabeth is a very humble girl and is very committed to the CDE program. She is an orphan and lives with her grandfather. When we told her that she had got a sponsor, she burst out in tears of Joy; she knew that her long time prayer had been answered.

She has been patient all these years, even when she had no sponsor, she helped the little sponsored children when they were writing letters to their sponsors.

We thank Marah and Paul for taking her up; at sixteen, she is still in primary six because her grandfather has not been able to pay her fees. Now that she has gone a sponsor, we believe her door is open.

We have many children like Elizabeth in the CDE program who are praying fervently that God will touch someone who is able to help them.

Now that you are reading this, if the Lord has blessed you, please choose today to sponsor a child in the CDE program and release him from poverty in Jesus' name
