

CDE059 KABUGHO MARION

Kabugho Marion was born on 14/09/2002; she is sponsored by Julia Shipley. She is a very interesting child to stay with; through the CDE program, she has committed her life to Jesus and is proud to be a child of God.

Marion has benefited greatly from the CDE program, her relationship with her sponsor Julia has grown.

Julia sends her monthly support to the CDE in time, but she also sends special gifts to Marion.

Marion is very proud of her sponsor; she has been able to buy clothes, shoes and food for her family from the gifts she receives from Julia.

She now sleeps on her own bed, which Julia bought for her. This month Julia sent her school fees for one term. She had been sent back from school because her parents had not afforded to pay her fees. She was not going to do end of term examinations.

The good news is that; Marion has gone back to school and will do her end of term examinations without any disturbance.

Thank you Julia for loving and supporting Marion, her life will never remain the same again.

I challenge you to sponsor a child in the CDE program today; share this joy of releasing children from poverty in Jesus' name.
